There is at present no foreign agency
for the sale of Govt. publications. The pro-
posed application from Messrs. Regan Paul, French
Trueman is therefore for consideration.

If it is decided to offer the agency
to any firm, the following points arise for
consideration:-

1. The terms of the agency.
2. Whether the publications should be
supplied through the usual route:
a. Directly to the Curator of the deposits
Govt. Press.
3. The list of publications that might
be provided sent to the agents.
4. Whether to have some kind
of committee in regard to
the selection of the agents.

Should the terms offered by the
agents be sent to the agents? This in-
cludes a list in the library.

The volumes of "Mysore Ink and
Cakes" asked for by Messrs
Kegan Paul, Trenchard & Co may
be sent to them at ~~cost~~ ^{published} price,
waiving postage charges.

As regards their application for
a recognised agency they may be
asked to see the Trade Commissioner
for Mysore in London and formulate
their proposals to him.

The question of establishing foreign
agencies for the sale of Govt publications
may be considered in connection with
the proposal to abolish the Central
Book Dept. But the suggestions made
above are not likely to prejudice
the decision that may be come to,
in the matter.
